

#### From North, East & West

- Leave the M4 at junction 10 and follow the A329(M) towards Bracknell and Wokingham.
- At the next roundabout (Coppid Beech), turn right to join the A329 and follow directions to Wokingham Town Centre.
- Follow London Road/Peach Street for about 1.5 miles until you reach the market square (the red brick town hall should be in front of you).
- Bear left, keeping the market square on your right, towards the A321.
- Continue down Denmark Street until you reach a mini roundabout and continue straight over.
- At the next roundabout continue straight. You will then reach a third roundabout with Tesco supermarket on the left hand side. Continue straight. At the fourth roundabout turn right onto Molly Millars Lane.
- You will approach a petrol station on the left hand side and you need to turn left before into Eastheath Avenue. Then take an immediate right into Cedar House.

#### From South

- Leave the M3 at junction 3 and follow the A322 towards Bracknell.
- Follow signposted route through Bracknell to A329(M) towards Reading and Wokingham.
- At the Coppid Beech roundabout, turn left to join the A329 and follow directions to Wokingham Town Centre.
- Follow London Road/Peach Street for about 1.5 miles until you reach the market square (the red brick town hall should be in front of you).
- Bear left, keeping the market square on your right, towards the A321.
- Continue down Denmark Street until you reach a mini roundabout and continue straight over.
- At the next roundabout continue straight. You will then reach a third roundabout with Tesco supermarket on the left hand side. Continue straight. At the fourth roundabout turn right onto Molly Millars Lane.
- You will approach a petrol station on the left hand side and you need to turn left before into Eastheath Avenue. Then take an immediate right into Cedar House.
